

*Our goal is to provide
an environment that
meets the unique needs
of our students in a
setting that allows
EVERY student to
learn and grow!!*

**BROOKSIDE
ACADEMY**

LEVEL 4 SITE SCHOOL

PROGRAM OVERVIEW

Brookside Academy is a setting IV special education program that serves students in grades Kindergarten-Transition with all disability areas. We support physical and emotional growth by helping students build relationships, self-regulate and achieve success in academics and non-academic areas. Students are placed into classrooms based on grade span and level of need. Students benefit from a small class size, high staff to student ratio, customized learning plans and a variety of programming environments.

PROGRAM HIGHLIGHTS

K-12 Program

Age groups segmented and separated within the building

Positive Behavior Intervention & Supports is the foundation of our programming

Aligned curriculum with C-I schools to support rigor and re-integration to mainstream

Classes sizes between 4-10 students
